

**Biology**

- **03-55-141:** Cell Biology with Lab
- **03-55-140:** Biological Diversity with Lab

General Chemistry

- **03-59-140:** General Chemistry I with Lab
- **03-59-141:** General Chemistry II with Lab

Organic Chemistry

- **03-59-230:** Introductory Organic Chemistry with Lab
- **03-59-235:** Introductory Organic Chemistry II

Physics

- **03-64-130:** Introductory Physics for Life Sciences with lab
- **03-64-131:** Introductory Physics for Life Sciences 2 with lab

Biochemistry

Any one of the following:

- **03-59-261:** Organic Chemistry of Biomolecules
- **03-59-362:** Intermediary Metabolism I
- **03-59-365:** Metabolism II

English

Any two of the following:

- **01-26-100:** Composition
- **01-26-120:** Writing about Literature
- **01-26-128:** Women and Literature
- Any other course with **01-26-xxx course code**
- Three semester hours (one course) in literature may be used to satisfy A PART of this requirement if the course description confirms that writing was integral to the course
 - Email admissions at admissions@udmercy.edu with course syllabus to confirm

Microbiology

Any one of the following:

- **03-55-237:** Introductory Microbiology
- **03-55-238:** Introductory Microbiology and Techniques
- **05-55-351:** Medical Microbiology
- **05-55-352:** Medical Microbiology and Techniques

Additional courses that are not required but strongly encouraged:

- **03-55-202:** Human Anatomy
- **03-55-204:** Human Physiology I
- **03-55-205:** Human Physiology II
- **03-65-205:** Statistics for the Sciences
